## Guidelines / Notes for filling up the Annual Performance Assessment Report (APAR)

- 1 The Annual Performance Appraisal Report is an important document, it provides the basic and vital inputs for assessing the performance of an official and for his / her further advancement in his / her career. The official reported upon, the Reporting Officer and the Reviewing Officer should, therefore, undertake the duty of filling out the form with high sense of responsibility.
- 2 Reporting Officers should realize that the objective is to develop an official so that he/she realizes his/her true potential. It is not meant to be a faultfinding process but a developmental one. The Reporting Officer and the Reviewing Officer should not shy away from reporting shortcomings in performance, attitudes or overall personality of the official reported upon.
- 3 The items should be filled with due care and attention and after devoting adequate time. Any attempt to fill the report in a casual superficial manner will be easily discernible to the higher authorities.
- 4 If the Reviewing Officer is satisfied that the Reporting Officer had made the report without due care and attention he/she shall record a remark to that effect in item 3 of Part IV. The Government shall enter the remarks in the APAR of the Reporting Officer.
- 5 Every answer shall be given in a narrative form except where numerical grading is to be awarded. The space provided indicates the desired length of the answer. Words and phrases should be chosen carefully and should accurately reflect the intention of the officer recording the answer. Unambiguous and simple language may be used.
6. Although performance appraisal is a year-end exercise, in order that it may be a tool for human resource development; the Reporting Officer should at regular intervals review the performance and take necessary corrective steps by way of advice etc.
7. It should be the endeavour of each appraiser to present the truest possible picture of the appraisee in regard to his/her performance, conduct, behaviour and potential.
8. Assessment should be confined to the appraisee's performance during the period of report only
9. Some post of the same rank may be more exacting than others. The degree of stress and strains in any post may also vary from time to time. These facts should be borne in mind during appraisal and should be commented upon appropriately.
10. Guidelines regarding filing up of APAR with numerical grading

- (i) The following table shows the Gradings (G) and required Cumulative Points (P) for that grading.

Grading (G)	Nomenclature	Cumulative points (P)
A1	Outstanding	$10 \geq P \geq 9$
A2	Tending to Outstanding	$9 > P \geq 8$
A3	Very Good	$8 > P \geq 7$
B+	Good	$7 > P \geq 6$
B	Average	$6 > P \geq 5$
C	Poor	$5 > P \geq 4$
D	Unfit	$P < 4$

- (ii) It is expected that any grading less than 4 (against work output or attributes or overall grade) would be adequately justified in the pen-picture by way of specific failures and similarly, any grade of 9 or 10 would be justified with respect to specific accomplishments. Grades of <4 or 9-10 are expected to be rare occurrences and hence the need to justify them. In awarding a numerical grade the reporting the reviewing authorities should rate the official against a larger population of his/her peers that may be currently working under them.

### NOTE:

The following procedure should be followed in filling up the item relating to integrity:-

(i) If the official's integrity is beyond doubt, it may be so stated.

(ii) If there is any doubt of suspicion, the item should be left blank and action taken as under:

- (a) A separate secret note should be recorded and followed up. A copy of the note should also be sent together with the Confidential Report to the next superior officer who will ensure that the follow-up action is taken expeditiously. Where it is not possible either to certify the integrity or to record the secret note, the Reporting Officer should state either that he has not watched the official's work for sufficient time to form a definite judgment or that he has heard nothing against the official, as the case may be.
- (b) If, as a result of the follow-up action the doubts or suspicions are cleared, the official's integrity should be certified and an entry made accordingly in the Confidential Report.
- (c) If the doubts or suspicions are confirmed, the fact should also be recorded and duty communicated to the official concerned.
- (d) If as a result of the follow up action, the doubts or suspicions are neither cleared nor confirmed the official's conduct should be watched for a further period and thereafter action taken as indicated at (b) and (c) above.
