D.O. No. SD-17/57/2017 -o/oPB /200

March 11, 2020

Dear Sir/Madam

As you are aware, there is an increasing focus of the government on quality skill training to ensure employability of the youth. The National Skills Qualifications Framework (NSQF), a competency-based framework was notified in December, 2013 with the objective of mapping the learning outcomes of training programmes and ensuring quality in skilling.

2. National Skill Development Agency (NSDA)/NCVET under the aegis of *Ministry of Skill Development and Entrepreneurship (MSDE), Government of India*, is the nodal organization for anchoring and implementation of NSQF. In the recent Budget also the Hon'ble Finance Minister has laid stress on infrastructure-focused skill development opportunities.

3. In terms of NSQF notification implementation schedule "the recruitment rules of the Government of India and the Public Sector Enterprises of the Central Government shall be amended to define eligibility criteria for all positions in terms of NSQF levels" and also "State Governments shall be encouraged to amend their recruitment rules as well as those of their public sector enterprises to define eligibility criteria for all positions in terms of NSQF levels".

4. Currently more than 4000 Qualification packs catering to different job roles across sectors have been approved and youth have been trained in them. Key Central Ministries viz. Ministries of Rural Development, Minority Affairs, Urban Development, Social Justice and others have already started using NSQF compliant job roles in their skill development programmes for training.

5. It is, therefore, pertinent to see that by and by Central Ministries/State Governments make NSQF certification as a mandatory criterion for hiring of contractual workforce and as a part of contracts being awarded. A suitable trajectory for percentage of works to the NSQF certified workers may be specified so that in a period of maximum 5 years, all workers are required to be certified.

6. I shall be grateful if you could kindly issue suitable guidelines to recruit NSQF trained candidates across various requirements in the State Governments/ Central Ministries. For any clarification, your officers may contact MSDE/NSDA/NCVET at bkray@nic.in/ anuradha.vemuri@nic.in. MSDE would extend support for alignment of the qualifications to NSQF levels.

Looking forward for your co-operation.
